

# Disclaimer

I acknowledge that:

- I understand that Mrs. Libby Dickens (“the Practitioner”) is not a medical doctor;
- the Practitioner has never held herself out to be a medical doctor; and
- the Practitioner is in no way practicing medicine by providing me with the agreed service.

I agree that I will consult my Doctor about any health or weight issues, food allergies, injuries, or on any medication *before* undertaking any significant changes to nutrition, exercise or lifestyle choices.

While there may be references made in the Fitgenes material to a “12 week Program”, I acknowledge that I am NOT receiving a 12 week program. I am receiving a one off report on a single topic relevant to the genetic profile or a carbohydrate report based on the AMY1 test. I agree that I will pay the Practitioner for any follow up advice or additional topics at an additional consultation rate.
